ADMISSION ANNOUNCEMENT

Admission Forms for the year 2027-2028 for Siblings of children studying in Nalanda will be available only on the following dates, at Crossword, Alkapuri:

Monday, 12th October 2026

Tuesday, 13th October 2026

Interested parents are requested to collect the forms on the dates mentioned above and submit the forms, duly filled on **14th and 15th October, 2026**, at Crossword Office, Alkapuri. All dates will be strictly implemented.

Please Note:

- Admission is subject to meeting the admission criteria laid by Nalanda
- Admissions for 2027-28 are open for Nursery, Classes 2, 8, 9 and 11 only.
- In case you wish to avail this facility, please collect the Admission Forms on the dates mentioned above between 10:00 am to 4:00 pm from Admin Office, Crossword Compound, Alkapuri, Vadodara.

AGE CRITERIA
(Born On or Before)

Nursery	31.05.2024
Class 2	31.05.2020

NO RELAXATION IN AGE IS POSSIBLE

In classes where there is no vacancy, if you wish, you may fill in the enquiry form at Crossword and we will get back to you in case of a vacancy. Please understand that it is not likely that we may have any opening for the classes not mentioned above.

Any sibling application received after **15th October 2026**, will **not** be considered for admission.

EDITORIAL

August was a month of celebration, pride and togetherness as students enthusiastically participated in many memorable milestones. The refreshing monsoon showers brought a new energy, filling the atmosphere with a cozy and comforting vibe. The vibrant greenery of the campus refreshed everyone's spirits. This month celebrated Nalanda Foundation Day giving the students an opportunity to reflect on the school's vision, values and commitment to grow. Raksha Bandhan brought students and their families together for some quality time, spreading the message of love, siblinghood and unity. The highlights of the month was the grand 80th Independence Day event, a day filled with patriotic songs, speeches, cultural performances and the unfurling of the National Flag, evoking the feeling of pride and gratitude towards the future of our country. The Pre School and Junior School was reverberating with colourful and skillful days whereas Middle and Senior Schools had a mix of events ranging from inter school competitions to the very happening Nalanda Model United Nations. August truly reflected the onset of autumn, the spirit of learning, culture and patriotism. As the month came to a close, it left everyone with cherished memories and a renewed enthusiasm for the promise of what lies ahead.

- Aarna Varia (11 Commerce)

HIGHLIGHTS

- **Health Awareness Programme:** As part of our commitment to promoting health education, Nalanda International School organized a special awareness session for Girls of classes 8 to 12 and their mothers on Cervical Cancer: Prevention Through Awareness. For more details on this programme see the last page.

ALUMNI EDITORIAL

● "Opportunities come to the ones who strive for it."

From studying PCM in school, to opting for mechanical engineering in college, to finally landing a job in an oil and gas industry is a tough road to follow. Many people opposed my choice of opting for mechanical engineering saying you'll be alone there with no girls around. But with the support of my parents and my will, I was able to not only survive but also achieve. Being one of the six girls in a class of 150 students I found that hard-work and resilience can bring out the best in you. What outshone me was the warmth of the friendships I made there. Forever and strong. Each subject was a challenge of repetition and vigorous note taking.

The job scenario took a completely different turn. Getting hired into an oil and gas industry, I have to work in remote locations, away from the comforts of daily life. It built in me the ability to speak my mind, and show my worth. Adaptability and compromise is required to fit into the job. It was a fresh perspective knowing so many people at different stages in life. Not only has this job given me exposure into the real world but also has helped me grow into the most confident version of myself, stronger than I ever was. And honestly speaking, learning doesn't stop. Even though you might have passed college and will think now comes the time when you'll sit on your laptop and type away, no...you will have to keep reading to stay in the game. More than proving to anyone else, you have to prove to yourself that you are capable, because at the end of the day you'll be reaping the rewards.

- Tanisha Varia, Batch 2020

Completed B-Tech Mechanical Engineering from PDEU,
Currently working as MWD Engineer, Halliburton, USA

INDEPENDENCE DAY

● **Independence day celebration:** The school celebrated Independence Day with great enthusiasm and patriotic spirit, centred around the inspiring theme 'Arise and Awake – A Message to Youth'. The students could relate to the theme through the various meaningful presentations and performances reflecting the values of freedom, courage and responsibility. The event left everyone inspired to arise, awake, and contribute positively to the future of the country. The event was graced by Mrs. Purnima Innage Rao and Mr. Rajkumar Innage Rao, grandparents of Anaya Rao (CI 4g), Mrs. Ranjana Surve and Mr. Prakash Surve, grandparents of Agastya Surve (CI 8b) and Mrs. Sheelaben Nanavati, grandmother of Krishnil Nanavati (CI 9b). Following are the glimpses of the celebration.

TRAFFIC AWARENESS

● Traffic awareness and the importance of safety and security in today's world is an important aspect of citizenship in the present time. A few of our students have already started driving and some would be starting it in the near future. For this an oath suggested by the Gujarat Road Safety Authorities with the motto Each Road. Safe Road was administered after the Independence Day celebration for the students of classes 3 to 12. The oath is as follows:

- I pledge / to obey traffic rules.
- I pledge / to use a helmet / and seatbelt while driving.
- I pledge / not to drive on the wrong side.
- I pledge / to always respect traffic signals.
- I pledge / to obey the speed limit.
- I pledge / to stay away / from races or stunts on the road.
- I pledge / to maintain lane driving discipline.
- I pledge / not to overtake dangerously in a hurry.
- I pledge / to give priority / to pedestrians on the road.
- I pledge / to understand that / caution is security.
- I pledge / to be brave / and help those injured / in road accidents.
- I pledge / to be a good citizen of India/ today/ always.

NALANDA FOUNDATION DAY

- Our school celebrated its 23rd Foundation Day with great pride and gratitude through a special joint assembly honouring Nalanda's inspiring journey. The Pre-School students delighted everyone with a joyful dance performance, while the Junior School filled the assembly with beautiful songs. The Middle School students presented a meaningful skit showcasing the values, spirit and growth of our beloved school over the years.

Adding a personal touch to the celebration, Arav Shah of Class 12 Humanities shared his inspiring journey from Nursery to Class 12 at Nalanda, remembering special moments and valuable life lessons. Aditya Dwivedi, an alumnus from the Batch of 2022, currently pursuing MBBS at Parul University, warmly spoke about his school experiences and Nalanda's lasting impact on his life. The celebration was a heartfelt tribute to Nalanda's rich legacy, strong values and vibrant school community. The programme beautifully reminded everyone that Nalanda is not just a school, but a lifelong journey of learning, growth and becoming.

- **Heartwarming note from a Parent for Nalanda Foundation Day**

Naisha had some beautiful insights from the Foundation Day at Nalanda. She told us that they had done pooja of the foundation bricks and were explained how Nalanda grew in these inspiring 22 years. Also, the gesture of donating the stationery and other needful things from the 'Khari kamai' initiative embodies what Nalanda truly believes in. We wish the Nalanda family many years of success in this inspiring journey of creating great minds.

- Parents of Naisha, Jr. KG α

NALANDA FOUNDATION DAY

NALANDA FOUNDATION DAY

● Continuing the Foundation Day celebrations across the school, Senior School students participated in various creative activities:

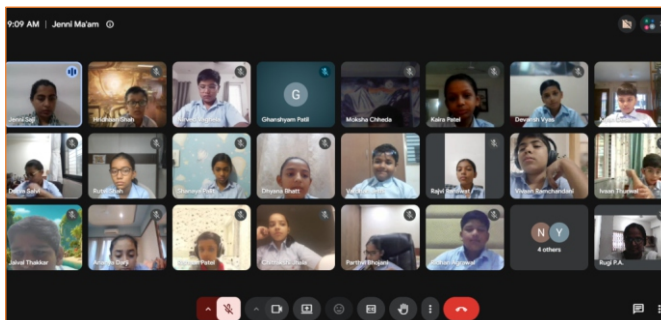

- Vision of Nalanda: Where do you see Nalanda after 10 years?
- Logo Redesign: Creating a new logo for Nalanda.
- Sports Flag Redesign: Designing a new sports flag for Nalanda.
- Sketch & Painting: Capturing any one area of Nalanda through art.
- Poetry: Writing a poem on Nalanda.
- Quotes: Creating meaningful quotes on Nalanda.

These activities gave students an opportunity to share their ideas, creativity and vision for Nalanda.

ONLINE LEARNING CONTINUES

● Unfavourable weather conditions may have kept our students at home, but learning continued without a pause. Through interactive online sessions, children stayed connected with their teachers and classmates while enjoying meaningful learning experiences. Adding to the excitement, the PreSchool students went on a virtual field trip to an aquarium, where they explored a fascinating underwater world and learned about a variety of aquatic animals. Junior School, Middle School and Senior School students of course had a different approach where they focussed on academic as well as their extracurricular activities.

BATCH 2026 ALUMNI COLLEGE PLACEMENT DETAILS

● After successfully completing their Class 12 in Nalanda, our students have started on a new journey to carve out their future profession. Here is the list of our young aspirants from Nalanda and the universities they have joined.

Sr.No	NAME	COURSE	UNIVERSITY
1	Aliva Das	Drop year	Drop year
2	Aman Modi	Bachelor's of Science in Biology	University of Maryland Baltimore county, USA
3	Anandita Rajesh	BA. LLB (Hons)	NMIMS University, Mumbai
4	Ananya Kalyankar	BA. (Hons) Economics	Banaras Hindu University
5	Anvesha Singh	Petroleum Engineering	Pandit Deendayal Energy University.
6	Aum Patel	BSc. Statistics	The Maharaja Sayajirao University of Baroda
7	Dhruvi Jage	BA Psychology (Hons)	The Maharaja Sayajirao University of Baroda
8	Fazal Gulamhussainwala	MBBS	Yenepoya University, Mangalore
9	Hardvi Jha	Economics and Business Economics	University of Amsterdam, Netherlands
10	Heer Mehta	B.Com (Honours)	The Maharajja Sayajirao University of Baroda
11	Het Patel	BBA (Hons)	Navrachna University
12	Hiya Patel	B.Com.	PDEU
13	Hrudya Mehta	BSc. Economics with Data Science	Christ University, Bangalore
14	Jaini Shah	Communication Design	Nirma University, Ahmedabad
15	Kalyanee Shree	Bachelor's of Design	Anant National University, Ahemdabad
16	Kavya Thaker	BBA (Hons)	PDEU
17	Krusha Patel	Bachelor's of Science in Psychology	RMIT University, Australia
18	Maithili Mistry	AWAITED	AWAITED
19	Nandini Nambiar	B.A. (Hons.) Economics	Miranda House, University of Delhi
20	Pranit Patel	B.tech in Automobile Engineering	AD Patel Institute of Technology, CVM Anand
21	Rakshit Bengani	BBA(Hons)	Navrachna University
22	Ria Patel	AWAITED	AWAITED
23	Riddhi Patel	Aerospace engineering	The Maharaja Sayajirao University of Baroda
24	Satvik Velani	BBA	Symbiosis College of Management Studies, Pune
25	Sharvanee Mishra	Ba.LLB (Hons.)	Gujarat National law University
26	Sriyans Phadke	BA (Hons.) in International Relations and Security Studies	Rashtriya Raksha University, Lavad
27	Suhani Patel	Sustainable Design	University Of Urbana Champaign, US
28	Tanishq Shah	LLB	Durham University, England
29	Tanmay Ambani	BBA (Hons)	Navrachna University
30	Tannish Wasavda	Physiotherapy	The Maharajja Sayajirao University of Baroda
31	Tannu Singh	Accessory Design	National Institute of Fashion Technology
32	Tavishi Garg	Bachelor's of Design	National Institute of Fashion Technology, Bhopal
33	Tiana Kapoor	Bachelor's of Design in Product Design and Visual Communication	Navrachna University
34	Vrutant Sheth	Bachelor's in Economics, Math, Statistics	Christ University, Bangalore
35	Yashvardhan Chauhan	BBA	Symbiosis skill and professional University, Pune
36	Yesha Patel	UI/UX design	SCAD(Savannah college of art and design), USA

PRE SCHOOL

● **Visit to a Plant Nursery:** On 18th July, our little ones visited a plant nursery at Sevasi to explore the wonderful world of plants. They were fascinated to see a variety of trees and plants with different shapes, sizes, and colours of leaves, along with beautiful flowers. Children also observed the gardeners watering the plants and learned about the tools used for gardening, making it an enriched learning experience.

● **First Manthan Session:** Manthan is a unique discussion platform where children think, interact and learn beyond their own classrooms. Instead of their class teacher, they are guided by a different teacher and placed in mixed-age groups comprising Nursery, Jr. KG, and Sr. KG children. On 18th July, we conducted the first Manthan session of the academic year. It was a new experience for our Nursery children as they stepped away from their class teachers and peers. The topic for the session was Friendship, where children shared their thoughts on what makes a good friend, the importance of sharing, helping one another, and using kind words. The session concluded with a Friendship Promise, encouraging children to be kind, caring, and respectful towards their friends.

● **Parents' Enrichment Programme:** On 18th July, Pre-School parents attended an insightful workshop on "Raising Responsible Humans", conducted by Ms. Mansi Amlani, parent of Khanjan (CI 4e) and Pramey (CI 9b). The session focussed on practical ways to nurture responsibility, independence and positive values in children from an early age. Parents gained valuable insights and simple strategies to support their child's overall development at home.

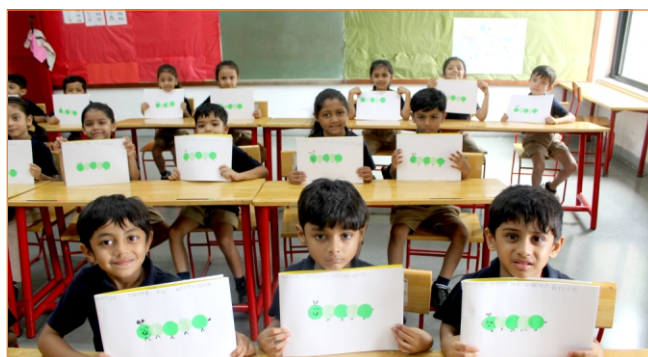

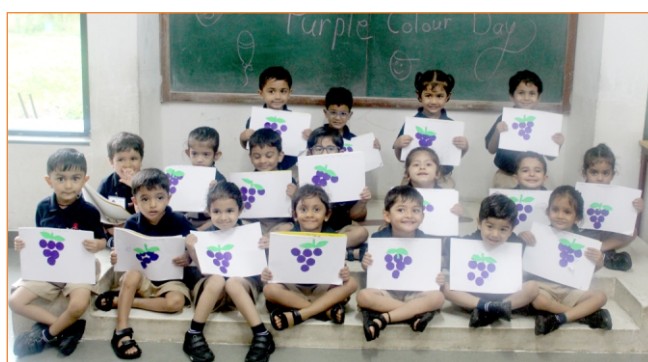

● **Bus Ride to explore water bodies:** The Pre School children enjoyed a fun-filled bus ride on 8th August to explore the water bodies in the nearby areas. Along the way, they observed beautiful natural surroundings. The outing gave them a wonderful opportunity to learn about sources of water beyond the classroom while enjoying a memorable experience with their friends.

COLOURS WEEK CELEBRATION

● **Colours Colours Everywhere!:** The Preschool turned into a colour zone from 20th to 23rd July as we celebrated Colour Week with great enthusiasm. Each day was dedicated to a different colour, making learning fun and interactive. Children participated in a variety of activities, bringing food items matching the colour of the day, exploring colourful displays, singing colour songs, and creating beautiful art and craft projects. Children not only learnt about colours, but also learnt to talk in front of a group. As part of our Colour Week celebration, children brought their own share of colourful food items. Our teachers lovingly prepared a vibrant and delicious Veg Pulao with Kadhi. The red, yellow, green bell peppers, purple cabbage, corn, broccoli added a rainbow of colours to the dish. The children thoroughly enjoyed relishing this rainbow-coloured feast with their friends, making the experience both joyful and memorable. These hands-on learning experiences will surely have a long lasting impact in their life ahead!

Colour Day	Activities	Colour Day	Activities
Primary Colour Day Nursery – Red Jr. KG – Yellow Sr. KG – Blue	Children brought toys matching their class colour and confidently participated in a Show and Talk activity. Later on they explored the colourful display of toys outside each class.	Green Day	Children brought green-coloured food in their lunch boxes and participated in green-themed art and craft activities. Nursery - Plant and Pot Jr. KG - Pea Pod Sr. KG - Caterpillar
Orange Day	Children enjoyed a colour mixing activity to explore how orange is formed, followed by creative art and craft activities. Nursery - Carrot Jr. KG - Orange Sr. KG - Fish	Purple Day	Children brought purple-coloured fruits and enjoyed engaging in making Purple Grapes art activity.

FLIPPED CLASS - GERMINATION...

● Our Sr. KG children stepped into the role of teachers on 7th August during their first Flipped Class of the year. The topic was Germination, and they confidently explained the process using the potted plants that they had sown at home. This hands-on activity gave the children an opportunity to understand the concept of germination really well.

● **Cluster Day:** Cluster Day brings together children from Nursery to Sr. KG, giving them an opportunity to learn, play, and interact beyond their regular class groups. The first Cluster Day on 12th August was filled with excitement and cheerful moments as they made new friends. The day began with circle time, followed by a fun colouring activity and many long-lasting moments. Children enjoyed listening to stories related to Independence Day and ended the session with an energetic free-dance time, making it a joyful experience for all.

● **Manthan:** Students of Junior School had their first Manthan of this year. As an introductory session a game was planned that helped them to get along with each other. It also created a bond among each member in the group.

● **Tru buddy:** Tru buddy is an ongoing session where students read books that help them imbibe values and life lessons in a way that instills the true essence of these stories. A similar session was held on 18 July where children could enhance their reading skills along with comprehension, communication and presenting their ideas in front of the class with confidence.

● **Guru Purnima:** On the occasion of Guru Purnima, students expressed their gratitude and respect towards their teachers by applying kumkum to their teachers and warmly saying, "Thank you" for their guidance, care, and constant support. The celebration was a reminder of the beautiful relationship between the teachers and the students.

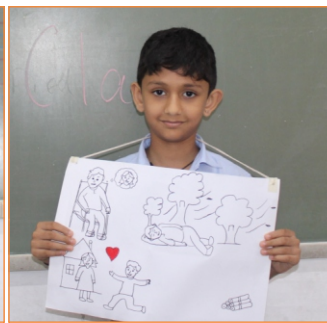

● **Flipped Class:** The flipped class for the English stories was conducted on 1st August, where students explored the given topic beforehand and came prepared to discuss and share their understanding in class. The session included interactive discussions, and activities that helped students strengthen their concepts and apply their learning.

● **Filler Week - 2:** Reading Week was celebrated from 5th to 7th July as a part of Filler Week in Junior School. They explored a variety of books, participated in engaging activities, and shared their favourite stories and characters with their peers. The week encouraged students to read with curiosity, express their ideas confidently, and discover the joy of books strengthening their reading habits, comprehension, vocabulary, and imagination.

● **Assembly Presentation:**

Theme/Activities	Class 4γ - Hard work pays off	Class 4δ - Small Steps to Success	Class 4ε - Never Give Up
Presentation Title	Hard work pays off	Small Steps to Success	Never Give Up
Personality Sharing	Thomas Edison	Shahrukh Khan	Arunima Sinha-First female amputee to climb Mount Everest.
Skit Title	The Key to Success	Small Steps Everyday Lead to Big Success	The Farmer and the Bamboo
Extempore topic	Which one skill would you like to learn	What if I could talk to animals	Effects of using Mobile phones
Action Song Title	The Garden of Success	One small step I start Today	Never, never, never give up, Smile through joy and tears

MIDDLE SCHOOL

● **Eureka ! - The Science Exhibition:** On 30th July, the students of class 7 displayed their ideas, innovations, creativity and research on the topics allotted to them in the form of a vibrant exhibition. The efforts to bring the best in the given time and eco-friendly resources, the intense research on the topics was evidently showcased in the final output. There were 60 projects presented during the exhibition which covered topics - from early civilizations techniques to the latest AI robotics models. Well done - young scientists in making! Each project was graded and special awards were given as follows:

Team Winners: First position - Jal House; Runners Up -Vayu House. Individual awards earned 10 points to their respective houses. Parents appreciated the enthusiastic participation, creativity and hard work displayed by the students at the Science Exhibition. They were impressed by the unique ideas, well-prepared projects and the students' confident and knowledgeable presentations. The exhibition was praised for its thoughtful organisation and for providing a valuable platform for students to explore, learn and showcase their scientific thinking and innovative ideas.

Eureka! Science Exhibition Awards 2026 - Class 7

Award Name and Description	Name of Participant/s	Project	House
YOUNG SCIENTIST AWARD Young Scientist Award was presented to the student demonstrating exceptional scientific temper	Bhumika	Madam Curie	Jal
	Sparsh and Sarthak	The Human Brain	Vayu
	Jiyan and Hitansh	Screen-Time (Eyes/Brain)	Prithvi
ALCHEMIST AWARD Alchemist Award recognised the student who showcased the science behind everyday wonders.	Rishya, Vrutti, Soumya	Volcano	Jal
BEST RESEARCHER AWARD Best Researcher Award was presented for in-depth research and interdisciplinary applications.	Aahaan and Aaradhya	Silicon	Vayu
	Prahaan	Irrigation: Early Civilizations	Jal
CONFIDENT SPEAKER AWARD Confident Speaker Award recognised the student who confidently presented the concept and its relevance.	Pratham Baid	Bird on the Pole	Agni
BEST INNOVATOR AWARD Best Innovator Award recognised creative thinking and the generation of unique ideas.	Ishan, Bhavyaraj	Remote Control Cars (AI)	Jal
CREATIVE MODEL AWARD Creative Model Award recognised unique ideas and materials used to create an effective model.	Medha, Viaan B.	Living Root bridges	Prithvi
	Parv, Jaynil	Voting Machine (AI)	Prithvi
ECO-WARRIOR AWARD Eco-Warrior Award recognised the student who connected technology, development and nature in their presentation.	Mudit, Aarohi	Upscaling challenge-Bird House	Prithvi
	Kunisha, Hridayraj	Cheek Cells	Vayu
	Khanak, Krishti	Upscaling challenge - Science Station Organizer	Jal
SCIENCE CHAMP Science Champ recognised the student who confidently answered queries, demonstrating in-depth knowledge.	Dheyan, Bishal	Games : Swing and Win	Prithvi
	Aamya, Drishti	Sliding Doll	Vayu

Jal Vayu House: Poverty and Hunger (Runners Up)

Agni House: Quality Educator for All (Winners)

SENIOR SCHOOL

● **Field Trip – ONGC:** The Class 11 students visited a leading manufacturer, service provider, supplier of oil and gas on 22nd July for an enriching educational field trip that provided valuable insights into the exploration and production of oil and natural gas. Through informative presentations and a guided tour of the facilities, students learned about geological surveys, drilling techniques, energy extraction processes, and the importance of sustainable resource management. They also gained an understanding of workplace safety measures and the role of technology in the energy sector. The visit evoked curiosity and encouraged students to connect classroom concepts with real-world industrial practices.

Here's what our students had to say:

Learning about the journey of oil and natural gas from exploration to production gave me a practical understanding of concepts we study in class. Interacting with industry professionals inspired me to explore career opportunities in the energy sector.

-Vivaan Patel, 11 Sci.

The field trip was both educational and engaging. I was impressed by the advanced technology, strict safety measures, and the commitment to sustainable energy practices. Seeing real-life industrial operations helped me appreciate the importance of science, teamwork, and innovation in solving global energy challenges.

-Yashvi Patel, 11Sci.

The presentations and guided tour helped me understand how modern technology supports energy production while protecting the environment. It has motivated me to learn more about the petroleum industry.

- Viha Babariya, 11 Comm.

● CISCE Literary Events:

Frank Anthony Memorial All-India Inter-School Debate Competition (Junior Category)	Jash Choksi and Pramay Amlani (Runner Up)
Albert Barrow Memorial All-India Creative Writing Competition	Krita Patel (Junior Category), Devansh Panchal (Senior Category)

● **ASISC Literary Fest:** Students of our school enthusiastically participated in the ASISC Literary Fest hosted by Billabong High International School on 4th August 2026. The event featured a variety of literary competitions, including Creative Writing, Debate, and Declamation, providing students with an excellent platform to showcase their communication, critical thinking, and creative expression skills. The participants from Nalanda demonstrated confidence, eloquence, and originality while competing against students from various schools.

Category	Name of the participant
Creative Writing	Vrinda Bhatia
Declamation	Ananya Srivastava
Debate	Viha Babariya

Ayaan Patel was awarded the Best Speaker in the Debate for his exceptional articulation, persuasive arguments, and confident delivery.

NAMUN 3.0, 2026 - SENIOR SCHOOL

● **NAMUN 3.0, 2026:** NAMUN 3.0, the Nalanda Model United Nations was conducted on 29th July' 26. The sole objective of NAMUN is to 'empower young minds and shape global leaders'. This event was completely planned and executed by students of Classes 11 & 12. Students from Classes 9 to 12 transformed themselves into delegates of various countries and politicians of Lok Sabha. Each student was assigned to one of the following committees:

Committee	Motto	Chair	Vice Chair
UNGA (United Nations General Assembly)	Rebuilding trust and reigniting global solidarity	Oorja Bhow	Avik Shroff
UNHRC (United Nations Human Rights committee)	Building bridges and breaking barriers	Samadrita Chakraborty	Khyati Shah
UNESCO (United Nation Education Scientific and Cultural Organization)	Innovation, Inclusion, Inspiration	Hrosanne Patel	Ayaan Patel
UNHC (United Nations High Commissioner for Refugees)	To save succeeding generations from the scourge of war	Ahar Sura	Raahil Gulamhusainwala
Lok Sabha	Democracy's essence, People's mandate	Shourya Dubey	Arav Shah
International Press	Observe, Investigate, and Report with Impartiality	Nitya Patel, Prajakta Guruji, Keya Shah, Devashree Nimkar	

Other Committees	Head
GRAPHICS	Parth Patel, Prapt Vora
PHOTOGRAPHERS	Anushka Shah, Mana Patel
JOURNALISTS	Toshini Jhala, Aarohan Pattnayak
CARTOONISTS	Aadi Patel
ORGANISING COMMITTEE	Smayan Patel, Jainam Bengani

NAMUN 3.0, 2026 - SENIOR SCHOOL

● The results of NAMUN 3.0 are as follows

Category	UNGA	UNHRC	UNESCO
Best Delegate	Jinansh Saraf (Iran)	Bhakti Patel (United Kingdom)	Ananya Srivastava (China)
Most Diplomatic Delegate	Devansh Panchal (Israel)	Viha Babariya (China)	Jay Barvalia (USA)
High Commendation	Jay Shah (Pakistan)	Aryan Gupta (USA)	Shreeram Kalyankar (India)
Best Position Paper	Khwaish Desai (Afghanistan)	Vrinda Bhatia (Pakistan)	Arushi Baiju (Brazil)
Verbal Mention	Himanish MS (South Sudan)	Kavya Lokhande (Syria)	Siddhant Korde (Russia)
Verbal Mention	Netra Davda (USA)	S. Kavya (Ukraine)	Megh Suthar (Belgium)
Verbal Mention	Darshil Dholaria (China)	Amulya Srivastava (Iraq)	Ahaan Dhavaskar (Iran)
Special Mention	Pramey Amlani (Palestine)	Ahana Gandhi (Iran)	Swayam Suthar (Italy)
Best Dressed Male	Aniket Kumar Vats (Nepal)	Hitarth Thakkar (Russia)	Devaansh Pandya (UAE)
Best Dressed Female	Tanisha Singh (Russia)	Vedanshi Patel (Lebanon)	Jeeval Shah (South Africa)

Category	LOK SABHA	UNHC
Best Delegate	Atharva Vivek (Kiren Rijju)	Jash Choksi (USA)
Most Diplomatic Delegate	Harshiv Haribhakti (Asaduddin Owaisi)	Arnesh Shah (China)
High Commendation	Ojas Shah (Rahul Gandhi)	Tanay Rawat (Pakistan)
Best Position Paper	Avaneesh Chavan (Mallikarjun Kharge)	Arve Christian (Russia)
Verbal Mention	Jay Shukla (Raghav Chaddha)	Hriday Menon (Syria)
Verbal Mention	Utsav Shah (Amit Shah)	Vickrant Balaji (Israel)
Verbal Mention	Tanuj Upadhyay (Nirmala Sitaraman)	Drona Arora (Japan)
Special Mention	Ruhi Nagarsheth (Narendra Modi)	Garv Davadra (Germany)
Best Dressed Male	Nandish Mistry (Piyush Goyal)	Urvaang Desai (Turkey)
Best Dressed Female	Jeeya Dalsania (Mohua Moitra)	Krita Patel (Iran)

Best Graphic Designer	Heni Shah (Winner), Richa Patel (Consolation)
Best Photographer	Nishtha Tonapi (Winner), Arav Modi (Consolation)
Best Journalist	Ananya Patle (Winner), Jiya Joshi (Consolation)
Best Cartoonist	Bhavya Hredhaan (Winner), Navya Gupta (Consolation)

● NAMUN 3.0, 2026 - UNSC (Senior School)

● **Commerce Week:** Commerce Week was celebrated with great enthusiasm by the Senior School Economics and Commerce students of Classes 9 and 11. The event gave students an opportunity to connect what they learned in class with creativity and real-life situations. Students presented well-designed models on the theme “Viksit Bharat,” showing India's progress and development. Under the theme “Invention and Innovation,” they created and displayed interesting products, showcasing their creativity, business ideas, and problem-solving skills. A meaningful skit on Consumer Protection Rights helped students understand consumer awareness, responsibilities, and the legal rights available to them. The week encouraged students to think critically, come up with new ideas, and understand how commerce is connected to everyday life.

● **Results of Inter House Soft Board Competition**

Soft Board	Position	House	Class 9	Class 11	Class-12
UNHRC (1st position)	First	Jal	Aanya Sonaiya, Khwaish Desai, Devanshi Desai	Oorja Bhow(Gen), Ahana Gandhi(Gen)	
MOCK LOK SABHA (1st position)	First	Jal &Vayu	Hrosanne Patel (11 Sci), Ayaan Patel (Sci), Mana Patel(Sci)		Simar Malhotra (12 humanities)
UNESCO (2nd position)	Second	Vayu	Jeeval Shah, Vedanshi Patel, Nediva Gewali	Purab Sorathiya(Sci), Vrinda Bhatia(Gen)	

● Assembly Presentation Winners

Category	CI 11 Comm./Hum.	CI 12 Comm. /Hum.	CI 11 Sci.	CI 12 Sci.
Best speaker of the week	Oorja Bhow	Devansh Pandya	Iqra Shaikh, Keya Shah	--
Knowledgeable performer of the week	Aarna Varia	Shourya Dubey	Jay Shah, Jinansh Saraf, Devansh Panchal	Jay Barvalia
Enthusiastic performer of the week	Viha Patel	Raahil Gulamhussainwala	Vivaan Patel, Ayaan Patel	Krish Patel
Energetic performer of the week	Utsav Shah	Tanuj Upadhyay, Simar Malhotra, Jainam Bengani	Shreyas Sabde, Tanay Rawat, Kamaksha Patel	Samadrita Chakraborty, Hetika Sitlani
Best performer of the week	Jiya Joshi	Aarohan Pattanayak	Arnesh Shah, Aryan Gupta	Smayan Patel

● Assembly Presentation Winners

Category	Class 10 α	Class 10 β	Class 10 γ
Best speaker of the week	Palash Shah	Sneh Gajera	Aditya Singh
Knowledgeable performer of the week	Ruhi Nagarsheth	Tanisha Singh	Niyan Danda, Avaneesh Chavan
Enthusiastic performer of the week	Hiteshi Gadhia	Ananya Patle, Hessha chhotai	Kavya Jain
Energetic performer of the week	Tanishka Vyas, S. Kavya, Srushti Shekhavat	Aashna Patwa	Aara Moghal, Heni Shah
Best performer of the week	Harshiv Haribhakti	Hriday Menon, Aarav Modi	Jash Choksi

● SPORTS - ACHIEVEMENTS AND ACCOLADES!

Name of the Competition & Category	Level	Date	Participants	Event	Result
CISCE NWR SGFI Table Tennis Tournament (Under 14 girls)	Regionals	14th July	Hiya	Singles	5th Position
CISCE NWR SGFI Table Tennis Tournament (Under 17 Boys)	Regionals	14th July	Aalap	Singles	4th Position
CISCE NWR SGFI Table Tennis Tournament (Under 19 Boys)	Regionals	14th July	Ansh	Singles	1st Position
CISCE NWR SGFI Table Tennis Tournament (Under 19 Boys)	Regionals	14th July	Krish	Singles	4th Position
CISCE NWR SGFI Basketball (Under 14 Boys)	Regionals	5th Aug	Bhavyaraj, Dev, Aarav, Naksh	Basketball	2nd Position
CISCE NWR SGFI Basketball (Under 19 Girls)	Regionals	5th Aug	Hetika, Anushka S, Nitya, Anushka P, Richa, Prajakta, Hiteshi	Basketball	3rd Position
CISCE NWR SGFI Badminton Tournament (Under 17 Girls)	Regionals	7th Aug	Suhani	Badminton (Singles)	2nd Position
CISCE NWR SGFI Badminton Tournament (Under 19 Girls)	Regionals	7th Aug	Ananya & Reevea	Badminton (Doubles)	2nd Position
CISCE NWR SGFI Badminton Tournament (Under 19 Boys)	Regionals	7th Aug	Krishna & Tanay	Badminton (Doubles)	2nd Position

● **SGFI CISCE Regional Football Tournament:**

The U-14, U-17 and U-19 Girls SGFI CISCE Regional Football Tournaments were held on 11th August at Nalanda. Around 180 students footballers from Ahmedabad, Surat and Rajasthan were a part of the tournament including our Nalanda Football Girls team.

● **Empowering Young Voices Through TED-Ed:** Our school has begun an inspiring collaboration with TED-Ed to help Senior School students develop their public speaking, oratory and creative writing skills. As part of the first group, 20 students have been selected for this valuable opportunity. They are learning how to turn their ideas into engaging stories and express them with confidence and clarity.

Through regular mentoring and training, our educators have been helping students improve their ideas, strengthen their storytelling skills and develop their own speaking style. Over the past several months, the students have worked sincerely on ideas inspired by their experiences, observations and aspirations. This initiative is not only about becoming better speakers; it is also about finding one's voice, developing meaningful ideas and inspiring others through them. The participants had their own ideas and they have worked thoughtfully over it and presented their views in front of the students as a preparatory session.

Aara Moghal- Beyond The Gym Mirror

Aarna Varia- Back When I was Younger

Ahaan Dhavaskar- Boredom - How it is good for us

Ananya Srivastva- Losing identity while fighting for equality

Aryan Gupta - There is a light at the end of the tunnel"

Avik Shroff- The Loose Bricks of Innovation

Ayaan Patel- The Fear of Unknown

Devansh Panchal- Why our brains prefer villains over mysteries?

Devashree Nimkar- Unfinished Echoes

Hriday Menon - Selling the Feeling (Marketing Experience over Product)

Jinansh Saraf - What can still be saved

Keya Shah- Fitting In vs Belonging

Krita Patel- Art is Conceptual

Oorja Bhow -Who am I when no one is watching...

S.Kavya- The architecture of a rumour

Samadrita Chakraborty - Public Validation - The new age trophy

Siddhi Vishnoi - We Fall In Love With Versions Of People Not People Themselves

Utsav Shah- Rehearsal!

Vikrant Balajie- Idea - Why Time Is Richer Than Money- And Almost No One Believes It

Vrinda Bhatia- Can AI replace Human creativity?

Achievements

Dhoon, 6δ - 1st Position in Kathak Exam by Akhil Bharatiya, Mumbai

BriBooks Authors - Gharviba (Vedas in Valley) and Astha (The Perfect Test), 6α

Shresht, 6δ - Secured Distinction in UCMAS International Grading Exam

Niyara, Nursery β - Yellow belt in Karate

Ram, Nursery ε - Yellow belt in Karate

Pratham, 7α - Awarded 1st Runner up in State- Level UCMAS Competition

Vivaan R, 5δ - Olympiad Achievements, 2nd NSO, 5th IMO & 6th ISO

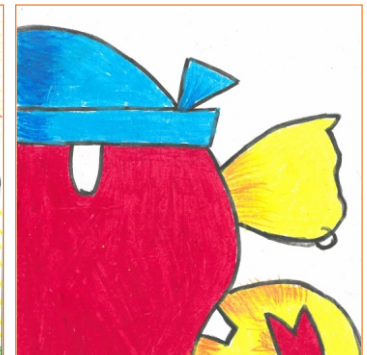

MAGIC FINGERS

Dhairya, 3δ

Anaghvir, 2β

Delisha, 2α

Nishant, 1α

Yaan, 1β

Healthy Conversations, Healthy Futures:

- Good health begins with awareness, and parents play an important role in helping children make informed choices about their health. Keeping this in mind, an awareness session, Cervical Cancer: Prevention Through Awareness, was organised for the girls of Classes 8 to 12 and their mothers on 10th August.

The session was led by a leading Doctor and Medical Director of a Centre for Women's Health and Fertility. An experienced gynaecologist and fertility specialist, the speaker has been working in the fields of gynaecology, reproductive health and fertility for over a decade. He is also a TEDx speaker and believes strongly in creating awareness through simple, meaningful conversations.

The session encouraged students and parents to understand the importance of looking after their health, asking questions without hesitation and making informed decisions. One important message shared during the session was that HPV vaccination is not only for girls; boys can also benefit from HPV vaccination. HPV can affect both males and females, and vaccination can help protect against HPV-related diseases.

A Message for Parents

As parents, we often focus on our children's studies, food, sleep and physical activity. Preventive healthcare deserves the same attention. Parents can:

- Talk openly and comfortably about health and growing up.
- Encourage children to ask questions and clear their doubts.
- Discuss recommended vaccinations with your family doctor.
- Remember that HPV vaccination is relevant for boys as well as girls.
- Encourage regular health check-ups and healthy habits.
- Help children understand that taking care of their health is a responsibility, not something to feel embarrassed about.

Small Conversations Can Make a Big Difference

Children may not always know what questions to ask or whom to approach. When parents create a safe and comfortable space for conversation, children are more likely to share their concerns and seek help when needed.

Let us move from "Don't worry about it" to "Let's understand it together."

A little awareness today can help our children make healthier choices tomorrow.

Here's what our parents had to say:

It was an informative session which is very relevant and significant.

-Parent of Khushi R. Soni, 12 Hum.

A highly enriching session. I am definitely going to share my insights about the session to more mothers and daughters

- Parent of Agrima Rai , 9γ

It was helpful to gain over the myths and the common doubts and has encouraged us to take vaccines.

-Parent of Preya Patel, 10γ

My daughter had her vaccination, however learning deeper insights about HPV was appreciable.

- Parent of Dhairya, 8γ
